

Become a Participating Dealer

The Instant Rebates! Point-of-Sale Foodservice Program is now available for customers within Southwest Gas® territory in California and Nevada. The program offers Instant Rebates for natural gas foodservice equipment (see backside for qualifying equipment list).

BENEFITS

1. Rebates deducted at the point-of-sale motivate the purchase of efficient, high-profit margin equipment that will save customers money on their utility bills.
2. Sales incentives are paid to dealer for each eligible high-efficiency product sold.
3. Paperwork-free process and instantly applied rebates increase customer satisfaction.
4. Sales incentive and full rebate repayment are provided to dealer within two weeks of application approval.
5. Online system allows for quick, streamlined application submittal.

ENROLLMENT

Eligibility

Dealers who sell rebate-qualified, energy-efficient commercial foodservice equipment to Southwest Gas® qualified customers are eligible for this program.

Payment

Rebates and sales incentives are paid to the dealer for qualifying equipment discounted to customers at the point-of-sale.

Support

By enrolling and participating, dealers gain access to resources, marketing information, and ongoing support.

CUSTOMER ELIGIBILITY

Eligible equipment must be installed at an active, valid, non-residential and non-transport natural gas Southwest Gas service location in California or Nevada.

If your rebate exceeds \$3,000 or your customer is a **casino, hotel, hospital, government building or other large business**, please confirm eligibility by calling (714) 787-1098 or emailing InstantRebates@energy-solution.com prior to offering rebate.

QUALIFYING EQUIPMENT

Many makes and models of natural gas foodservice equipment qualify for rebates up to \$3,000 per unit. For a full list of eligible equipment, select the corresponding equipment lists at www.caenergywise.com/instant-rebates/#qualifying-products or www.energystar.gov/productfinder.
