

Instant discounts available for **DTE** high-efficiency condensing and evaporator units

DTE has partnered with distributors to offer big savings of up to \$1,500 per unit on the purchase of high-efficiency condensing and evaporator units to commercial and industrial customers. Participating distributors apply the discount directly at the point-of-sale, so you save instantly.

How It Works

- 1 Determine your facility's needs**
Work with your contractor to figure out what qualifying high-efficiency condensing and/or evaporator unit model is right for your business.
- 2 Find a participating distributor**
Visit dteenergy.com/discounts-foodservice for a list of participating distributors.
- 3 Receive your instant discount**
Confirm your equipment will be installed at a non-residential facility in DTE's service territory. The discount will be applied as a discount on your invoice.
