

Commercial Foodservice Instant Incentives for Massachusetts

Guide to receiving your rebates

1 Verify equipment eligibility.

- View ENERGY STAR® eligible equipment at [EnergyStar.gov/productfinder](https://www.energystar.gov/productfinder)
- For a full qualified products list, contact InstantRebates-NE@energy-solution.com

Make sure the equipment model number matches exactly what is found in the online application system. If you are unsure, contact us at the number or email below.

2 Confirm customer eligibility.

Before offering a rebate, you must obtain confirmation from the customer that their equipment will be installed at a non-residential address with a valid commercial electric account number.*

- Please refer to the territory map, ZIP code list or contact Energy Solutions to confirm the Program Sponsor and eligible territory.

3 Complete the sale.

- Apply sales tax to the full price of the equipment before the rebate.
- Ensure the invoice includes a line item with the rebate amount and the words “MA Instant Rebate.”

4 Submit application for rebate.

- Log in to iris.masssaveincentives.com and submit a new application.
- Application information can be found on the sales invoice.

WE ARE MASS SAVE®:

EVERSOURCE

nationalgrid

Unitil

Reimbursement checks will typically be issued within two weeks of application approval.

Instant discount is expected to be passed down to the end-use customer. Onsite verifications may be required.

*Providing the electric account number is optional but will expedite processing. An eligible customer's installation address must be within one of the participating Program Sponsor's territories. Please refer to the territory map or ZIP code list to confirm Program Sponsor and eligibility. The instant rebate cannot be combined with any other incentive offer through the Sponsors of Mass Save for the same equipment.
