

FOODSERVICE *instant* rebates

Save big on commercial foodservice equipment!

With the Avista Foodservice Instant Rebates Program you could save on high-efficiency equipment for your business. Choose from a variety of qualifying products and get valuable instant rebates as a discount on your invoice—no paperwork, no waiting. It's easy—here's how:

1. Find a participating dealer at myavista.com/midstreamdistributors
2. Choose a qualifying product
3. Receive an instant rebate on your invoice

Eligibility

Commercial customers of Avista are eligible to receive Instant Rebates. Qualified equipment must be installed in a commercial location and be fueled by Avista natural gas and/or electricity service. Leased equipment is not eligible.

Energy savings with high efficiency

Major cooking appliances account for almost 35% of the average restaurant's energy expenditures. Efficient equipment could help decrease your energy use by as much as 75% compared to standard efficiency equipment¹. High efficiency equipment uses less energy and water, which could reduce your utility bills.

It's easy, no paperwork required

Valuable rebates are available on a range of natural gas and electric equipment for your business.

For a full list of qualifying equipment, contact a participating distributor.

¹ Energy consumption for commercial kitchens based on ENERGY STAR® study: <https://www.energystar.gov/sites/default/files/asset/document/ES%20Restaurant%20Guide%202017-2018%20v16.pdf>. Actual savings may vary and will depend on various factors, including equipment installed, and usage rates.
