

LAB GRADE COLD STORAGE INSTANT REBATES

Offer your customers incentives up to \$1,200!

FOCUS ON ENERGY[®] is supporting Wisconsin's growing life sciences, biomedical research, and healthcare industries by offering incentive opportunities for energy-efficient, laboratory-grade, cold-storage products. This includes all ENERGY STAR[®] certified Ultra-Low Temperature Freezers (-70°/-80°C) and top-performing ENERGY STAR certified Laboratory Grade High Performance Freezers and Refrigerators from 6 to 44 ft³ capacity, effective on all sales beginning January 1, 2023.

**A sale is defined as a customer's commitment to purchase the equipment (e.g. a customer purchase order).*

Measure Name	Incentive	Stipend	Unit Type
Laboratory Grade High Performance Refrigerators, 6≤V<25 cu. ft.	\$600	\$100	Each
Laboratory Grade High Performance Refrigerators, 25≤V<44 cu. ft.	\$800		
Laboratory Grade High Performance Refrigerators, ≥44 cu. ft.	\$1,200		
Laboratory Grade High Performance Freezers, 6≤V<22 cu. ft.	\$600		
Laboratory Grade High Performance Freezers, ≥22 cu. ft.	\$1,200		
Ultra-Low Temperature Freezers (-80C)	\$1,200		

Please review the current qualified product list to confirm qualified models and corresponding rebate amounts. Visit focusenergy.lifesciences.com for the latest version.

How to Participate

- 1 Verify customer eligibility.** To be eligible for incentives, qualifying equipment must be installed in a non-residential facility in Wisconsin that has a commercial or industrial electricity account with a participating Wisconsin utility or cooperative.
- 2 Obtain pre-approval if necessary.** To guarantee the incentive, sales over 10 units to a single customer facility require pre-approval. Please contact us with the number of units being installed, the equipment make and model, and the customer's installation address.
- 3 Complete the sale and submit application for incentive.** Incentive claims for all sales must be submitted within 90 days of the sale date.

This discount program is available to customers of participating Wisconsin utilities.

For more information on this offer, please contact Phil Pipitone at: **510.482.4420 x387** or phil.pipitone@focusonenergy.com.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
