

Instant Discounts

FOOD SERVICE

SAVE UP TO \$3,000 PER UNIT

And lower your energy use for even more savings!

Save Money on Your Invoice

Skip the paperwork and receive a rebate directly on your invoice when you purchase qualifying foodservice equipment from participating dealers. See page two for a list of enrolled dealers.

Save Energy with High-Efficiency Equipment

Cooking appliances can account for almost 35% of the average restaurant's energy costs. Energy-efficient equipment can lower these bills by as much as 75% without sacrificing performance.*

Qualifying Equipment

Eligible natural gas equipment must be installed at a nonresidential site receiving natural gas service from a utility participating in FOCUS ON ENERGY®. Eligible electric equipment must be installed at a nonresidential site receiving electric service from a utility participating in Focus on Energy. For a full list of eligible equipment, contact your sales representative.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
