

Instant rebates available for lab grade cold storage equipment

Save up to \$2,000 on your invoice!

The Sponsors of Mass Save® are continuing to support the delivery of the COVID-19 vaccine and ongoing life sciences and biomedical research by extending incentive opportunities for most ENERGY STAR® certified cold storage equipment. The following rebate amounts are effective for all purchases made on or after May 1, 2022.

Equipment Type	Equipment Size	Instant Rebate (per unit)
Lab-Grade High Performance Refrigerators	≥6 and <25 cu. ft.	\$600
	≥25 and <44 cu. ft.	\$800
	≥44 cu. ft.	\$1,200
Lab-Grade High Performance Freezers	≥6 and <22 cu. ft.	\$600
	≥22 cu. ft.	\$1,200
Ultra-Low Temp Freezers	>6 cu. ft.	\$2,000

How to Participate

- 1 Find a participating distributor.** Visit masssave.com/labequipment for a list of participating distributors.
- 2 Choose qualifying equipment.** Work with your distributor to determine what qualifying model is right for your facility.
- 3 Receive your instant rebate.** Confirm your equipment will be installed at a non-residential facility and is not already receiving a rebate through another program from one of the Sponsors of Mass Save. The rebate will be applied as a discount on your invoice. Please note that municipal power customers are not eligible for incentives.

For more information on this offer, please contact Energy Solutions, the program implementer, at: 617-440-5466 or instantrebates-ne@energy-solution.com.
