

SERVING SWEET SAVINGS. GET UP TO 75% OFF.

If you're in the market for new food service equipment, shop with a Duke Energy Midstream distributor. You'll enjoy instant savings up to 75% off, and there's no paperwork. Duke Energy works with Midstream distributors to pass the savings on to you. You'll also save energy and money once you install newer, more efficient food service equipment. Why wait? Get started today.

Shop with a Midstream distributor:

- Enjoy deep discounts on products.
- There's no wait. You'll receive your rebates at point of purchase.

Duke Energy customers can talk to a Midstream distributor for more information. To see a full list of participating distributors, visit [duke-energy.com/SweetSavings](https://www.duke-energy.com/SweetSavings).

Smart \$aver is available to customers of all Duke Energy utilities, except Duke Energy Florida, Duke Energy Ohio and Duke Energy Kentucky, where alternative options are available.
