

Instant Rebates!

Point-of-Sale Foodservice Program

How to Apply

Step 1: Verify Equipment Eligibility

- Make sure the model number matches the qualifying products spreadsheet or the list of eligible equipment at bceincentives.com.
- Obtain pre-approval for any sale with rebates totaling \$3,000 or more by calling 1-617-440-5466.

Step 2: Verify Customer Eligibility

- Confirm customer is a non-residential Con Edison natural gas customer before offering a rebate.
 - Equipment must be installed within Con Edison's natural gas territory. Customers may not keep equipment in storage or move to a non-participating location.
- Customer must fill out both sides of the eligibility form.
 - To find out their account number, customers can call 1-800-753-6633.
 - For dishwasher sales, ensure the installation site has Con Edison natural gas service and indicate this on the customer eligibility form.

Step 3: Complete the Sale

- Apply sales tax to the full price of the equipment, not to the equipment cost after rebate.
- Confirm correct rebate amount on the qualifying products list.
- Ensure sales invoice includes line item specifying the instant rebate.

Step 4: Submit Application

- Applications are typically reviewed and approved within two business days. Log in to bceincentives.com to check your application status and track reimbursement checks.
- Reimbursement checks are typically mailed within two weeks of approval.
