

FOR IMMEDIATE RELEASE

Energy Solutions welcomes Angela Rodriguez as Chief Financial Officer

Oakland, CA (July 11, 2022) – **Energy Solutions**, an Oakland-based clean energy consulting firm, announced today the appointment of Angela Rodriguez as Chief Financial Officer.

Angela joins Energy Solutions as a seasoned finance professional who has influenced \$10B in revenue for national and international high-growth firms such as Eco-Energy, UGI Corporation, Superior Group, Certainteed Corporation, and Yuasa-Exide. As CFO at Eco-Energy, a low-carbon energy solutions company, she positioned the business to thrive during aggressive growth and doubled net earnings in two years. At UGI Energy Services, a midstream service provider of natural gas, liquid fuels, electricity, and renewable energy where she also served as CFO, Angela oversaw the growth of the company from \$650 million in revenue to over \$1.3 billion. Angela has led teams in finance, corporate accounting, treasury, tax, risk management, safety, information systems, human resources, and administrative operations.

Angela earned an MBA in Finance and Operations from the Wharton School and a B.S. in Chemical Engineering from the University of Notre Dame.

“We are excited to welcome a leader who will not only keep our company on a solid financial ground as we continue on our path of rapid growth, but who also has a deep technical understanding of the work we do,” stated Sam Cohen, Founder and President of Energy Solutions, “Angela’s experience with fast-growing, global companies from the supply side of the energy industry will bring valuable knowledge and insight – especially at a time when we are expanding our reach, services and products, and our commitment to creating large-scale environmental impacts.”

“I was attracted to Energy Solutions because of their mission-driven, practical, and effective approach to solving our climate crisis,” Angela stated. “I’m excited to be on the demand side of energy, which is a critical part of making this world a better place and is often overlooked. It’s a great time to join Energy Solutions as they enter this next phase of growth. It’s an incredible opportunity to make a major impact.”

About Energy Solutions:

Energy Solutions is a mission-driven clean energy implementation firm that specializes in programs that align with the market to deliver significant resource impacts. For 25 years we’ve been pioneering end-to-end, market-driven solutions that deliver reliable, large-scale and cost-effective energy savings and GHG reduction to our utility, government, and private sector clients across North America. Our passionate, smart employee-owners are committed to excellence and to building long-lasting, trusted relationships with our clients.
