

Attention: Commercial Foodservice Equipment Dealers

 **Enroll now!** Instant Rebates can help give you a competitive advantage over non-participating dealers

The **California Foodservice Instant Rebates Program** gives your eligible customers Instant Rebates at the point-of-sale on high efficiency natural gas and electric commercial foodservice equipment and pays you sales incentives.

Benefits

- 1** Instant Rebates at the point-of-sale could increase your sales of high-margin, energy-efficient equipment
- 2** You'll receive a sales incentive for each eligible high efficiency product discounted at the point-of-sale
- 3** With no paperwork, Instant Rebates can help increase customer satisfaction
- 4** The streamlined online tool makes it easy to submit rebate claims and track payments
- 5** Sales incentives and full rebate repayment are paid within two weeks of claim approval

Program Eligibility Requirements

- Dealers, distributors and manufacturers who sell commercial foodservice equipment or other eligible products to qualified customers are eligible for this program.
- Participants provide Instant Rebates to customers at the point-of-sale with a line-item listed on the invoice as "California Instant Rebate".
- Rebated equipment must be installed in a non-residential location that receives natural gas and/or electricity service from SoCalGas®, Pacific Gas and Electric Company (PG&E®), Southern California Edison Company (SCE®) or San Diego Gas & Electric Company (SDG&E®).
- Dealers must agree to all program requirements to participate and receive incentives.

Enrollment Bonus

An enrollment bonus will be offered to new participating dealers not previously enrolled in the SoCalGas Instant Rebates! Point-of-Sale Foodservice Rebate Program.

For more information on the California Foodservice Instant Rebates Program, please call (714) 787-1098 or email InstantRebates@energy-solution.com. Energy Solutions is the authorized contractor responsible for implementing this program.

Qualifying Equipment

Many common makes and models of commercial foodservice equipment qualify for the California Foodservice Instant Rebates Program. Qualifying equipment must be installed at a non-residential site that receives natural gas and/or electricity service from SoCalGas, PG&E, SCE, or SDG&E. The fuel type of the equipment being purchased must match the fuel type of the customer's non-residential account with one of the above utilities.

	Qualifying Equipment*	Customer Rebate	Dealer Sales Incentive
