

Attention:

Commercial foodservice equipment dealers

Give your eligible customers instant rebates at the point-of-sale on high-efficiency natural gas and electric commercial foodservice equipment and earn sales incentives for your business

Benefits

- Rebates paid to the customer at the point-of-sale motivate the purchase of efficient, high-margin equipment that will save your customer money and energy
- Instant rebates and no paperwork increase customer satisfaction
- Sales incentives paid to the salesperson for each eligible energy-efficient product discounted at the point-of-sale
- Sales incentive and full rebate repayment provided to dealer within two weeks of application approval
- Online system allows for streamlined application submittal
- Additional sales tool provides a competitive advantage compared to non-participating dealers

Enrollment

Dealers, distributors, and manufacturers who sell commercial foodservice equipment to qualifying customers are eligible to participate in this program.

Rebated equipment must be installed in a location that receives natural gas and/or electricity service from Puget Sound Energy.

Dealers must agree to all program requirements to participate and receive incentives.
