

# Instant Rebates available for high-efficiency lab cold storage equipment

## Save up to \$2,300 off your invoice!

Puget Sound Energy (PSE) is partnering with distributors and manufacturers to offer big savings on high-efficiency ultra-low temperature (ULT) freezers, high-efficiency laboratory grade refrigerators and high-efficiency laboratory grade freezers installed in the PSE service area.

Participating **suppliers** apply the rebate at the point-of-sale—no waiting, no paperwork!

### HOW TO PARTICIPATE

#### 1. Choose qualifying equipment.

Ask your distributor what qualifying model may be right for your facility.

#### 2. Complete your purchase.

Confirm that your equipment will be installed at a facility that receives electric service from PSE.

#### 3. Receive your instant rebate.

The rebate will be applied as a discount on your invoice.
