

Seattle City Light

Act now! Limited time stacked rebates.

Seattle City Light is giving small business owners who purchase qualifying heat pumps and heat pump water heaters a boost!

MIDSTREAM HVAC AND WATER HEATING PROGRAM

Heat Pumps

(<5.4 tons)

Up to **\$5,000** off

when stacked with midstream rebate

\$100

contractor spiff

Heat Pump Water Heaters

(<120 gallons)

\$1,750 off

when stacked with midstream rebate

\$200

stacked contractor spiff

Additional rebates include a contractor spiff because we know collecting extra data takes time and effort.

Stacked Rebates

This rebate provides additional customer pass-through incentives on top of the existing midstream rebates for heat pumps (<5.4 tons) and heat pump water heaters (<120 gallons).

Small Business Eligibility

Businesses that receive electric service from City Light with fewer than 50 employees qualify when replacing existing equipment.

Rebate Limits

Combined rebates cannot exceed the total installed cost.

Eligibility Window

These stacked rebates will only last until funds are exhausted.

Same Midstream Process with Some Additional Information

Small business claims require additional data inputs — see rebate table for details.

**See rebate tables
for additional program details**

The Small Business Stacked Heat Pump and Heat Pump Water Heater rebate is supported with funding from Washington's Climate Commitment Act. The CCA supports Washington's climate action efforts by putting cap-and-invest dollars to work reducing climate pollution, creating jobs, and improving public health. Information about the CCA is available at www.climate.wa.gov.
