

Seattle City Light

Act now! Limited time stacked rebates.

Seattle City Light is giving small business owners who purchase qualifying heat pumps and heat pump water heaters a boost!

MIDSTREAM HVAC AND WATER HEATING PROGRAM

Heat Pumps

(<5.4 tons)

Up to **\$10,000** off
when stacked with midstream rebate

\$100
contractor spiff

Heat Pump Water Heaters

(<120 gallons)

Up to **\$4,000** off
when stacked with midstream rebate

\$200
stacked contractor spiff

Additional rebates include a contractor spiff because we know collecting extra data takes time and effort.

Stacked Rebates

This rebate provides additional customer pass-through incentives on top of the existing midstream rebates for heat pumps (<5.4 tons) and heat pump water heaters (<120 gallons).

Small Business Eligibility

Small businesses (defined as less than 50 employees) within Seattle, Shoreline, Lake Forest Park, and Burien that are City Light customers are eligible.

Rebate Limits

Combined rebates on retrofit projects only and cannot exceed the total installed cost.

Eligibility Window

These stacked rebates will only last until funds are exhausted.

Same Midstream Process with Some Additional Information

Small business claims require additional data inputs — see rebate table for details.

for rebate tables and additional program details.

FUNDED BY WASHINGTON'S

The Small Business Stacked Heat Pump and Heat Pump Water Heater rebate is supported with funding from Washington's Climate Commitment Act. The CCA supports Washington's climate action efforts by putting cap-and-invest dollars to work reducing climate pollution, creating jobs, and improving public health. Information about the CCA is available at www.climate.wa.gov.
