Save up to **\$1,600** per unit on lab grade cold storage equipment.

With Instant Rebates, you skip the paperwork and receive a rebate right on your invoice when you purchase qualifying high-efficiency lab-grade cold storage equipment from a participating dealer. You'll keep saving with lower energy costs over the lifetime of your new equipment.

Getting Started is Easy

- 1. Find a participating distributor.**
- 2. Choose qualified equipment.** Work with your dealer to determine what qualified product (below) is right for your facility.
- 3. Receive your instant rebate.** Confirm your equipment will be installed at a non-residential facility with an active Rhode Island Energy commercial account, and your rebate will be applied instantly at the point-of-sale.
