

2026 Lab grade cold storage instant rebates

Offer your customers incentives up to \$4,000¹ per unit.

The NHSaves® utility partners are supporting life sciences and biomedical research by offering incentive opportunities for most ENERGY STAR® certified lab-grade high-performance refrigerators and freezers and all ENERGY STAR certified ultra low temperature freezers. The amounts below are effective for all sales² made on or after April 15, 2026.

²A sale is defined as a customer's commitment to purchase the equipment (e.g. a customer purchase order).

How to Participate

- 1. Verify customer eligibility.** To be eligible for incentives, qualifying equipment must be installed at a facility in New Hampshire that has a commercial or industrial electricity account with one of the utility partners: Eversource, Liberty, New Hampshire Electric Co-Op, or Unitil. Sales to customers with municipal electric accounts in New Hampshire are not eligible. Customers already receiving incentives for the equipment through another program from the utility partners are not eligible.
- 2. Obtain pre-approval if necessary.** To guarantee the incentive, sales over 10 units to a single customer facility require pre-approval. Contact Energy Solutions with the number of units being installed, the equipment make and model, and the customer's installation address.
- 3. Complete the sale and submit application for rebate.** Applications must be submitted no more than 60 days after the sales date.

Effective April 15, 2026 through December 31, 2026

Qualified Product	Equipment Size	Customer Incentive Per Unit	Distributor Stipend Per Unit
Lab-Grade High Performance Refrigerators	≥6 and <25 cu. ft.	\$600	\$50
	≥25 and <44 cu. ft.	\$800	\$50
	≥44 cu. ft.	\$1,200	\$50
Lab-Grade High Performance Freezers	≥6 and <22 cu. ft.	\$600	\$50
	≥22 cu. ft.	\$1,200	\$50
Ultra-Low Temperature Freezers (-80° C)	>6 cu. ft.	\$4,000¹	\$50

¹The ULT Freezer incentive will remain at \$4,000 while funding lasts.

Some ENERGY STAR models within the above categories may no longer qualify. Please review the current qualified products list to verify.
