Seattle City Light

Instant Rebates available for high-efficiency lab cold storage equipment

For a limited time, **save up to $2,400** off your invoice!

Seattle City Light is partnering with distributors and manufacturers to offer big savings on high-efficiency ultra-low temperature (ULT) freezers, high-efficiency laboratory grade refrigerators and high-efficiency laboratory grade freezers purchased for use in commercial facilities in the Pacific Northwest.

Participating **suppliers** apply the rebate at the point of sale—no waiting, no paperwork!

HOW TO PARTICIPATE

1. **Choose qualifying equipment.**
   Ask your distributor what qualifying model may be right for your facility.
2. **Complete your purchase.**
   Confirm that your equipment will be installed at a non-residential facility that receives electric service from City Light.
3. **Receive your instant rebate.**
   The rebate will be applied as a discount on your invoice.
