NHSaves®
Your Source for Energy Efficiency

2026 Instant Rebates available for commercial high-efficiency gas and electric foodservice equipment

Give your eligible customers instant point-of-sale rebates on high-efficiency natural gas and electric food service equipment within New Hampshire. See products table below for increased incentives and stipends on dishwashers, refrigerated chef bases, and electric steamers for qualifying sales made on April 15, 2026 or later.

Program Benefits

- Instant rebates at the point-of-sale can increase your sales of high-margin, energy-efficient gas and electric equipment.
- Minimize paperwork and increase customer satisfaction and participation.
- You'll receive a sales stipend for each eligible high-efficiency product discounted at the point-of-sale.
- Sales stipend and full rebate repayments are paid within an average of two weeks from application approval.
- The streamlined online tool makes it easy to submit applications and track payments.

Enrollment

All equipment dealers who sell qualifying, energy-efficient foodservice equipment to natural gas and electric customers in participating territories are eligible to enroll.

Enroll Today

To sign up or get more information, contact the Instant Rebates team at InstantRebates-NE@energy-solution.com or 617-440-5466

Qualified Equipment

Your NHSaves® Instant rebates can be given for eligible energy-efficient natural gas and electric foodservice equipment. Please see the following page for a list of qualifying equipment and incentive amounts. For a more comprehensive list of eligible equipment models, please check the qualifying products list or contact the Instant Rebates team.

Program Requirements

- Purchased equipment must be installed at a nonresidential site with an active Eversource, Liberty, New Hampshire Electric Co-op, or Unitil account in New Hampshire.
- Dealers must agree to all program requirements to participate and receive incentives.

Commercial foodservice Instant Rebates for New Hampshire

Guide to receiving your rebates

1. Verify equipment eligibility.

View ENERGY STAR® eligible equipment at **EnergyStar.gov/productfinder**

For a full qualified products list, contact **InstantRebates-NE@energy-solution.com**

Make sure the equipment model number matches exactly what is found in the online application system. If you are unsure, contact us at the number or email below.

2. Verify equipment eligibility.

Before offering a rebate, you must obtain confirmation from the customer that their equipment will be installed at a nonresidential address with a valid commercial gas or electric account number.*

3. Complete the sale.

Apply sales tax to the full price of the equipment before the rebate.

Ensure the invoice includes a line item with the rebate amount and the words “NH Instant Rebate.”

4. Submit application for rebate.

Log in to **nhincentives.com** and submit a new application.

Application information can be found on the sales invoice.

Application must be submitted within 60 days of sale.

Reimbursement checks will typically be issued within two weeks of application approval.

Instant rebate is expected to be passed down to the end-use customer. Onsite verifications may be required.

For more information, contact:

InstantRebates-NE@energy-solution.com

*Providing the gas or electric account number is optional. An eligible customer’s installation address must be within one of the participating utility partner territories. Please refer to the territory map or ZIP code list or contact Energy Solutions to confirm your NHSaves® utility partner and eligibility. The instant rebate cannot be combined with any other incentive offer through NHSaves programs for the same equipment.
